# We are nearing the end...

There are a few weeks until the end of our Erasmus+ ALTI project. From October 2022 we worked hard on finishing the project results in order to proudly present them to you.

Active learning through improved interactivity – ALTI

16.11.2022. we had workshop for the partners and coordinated the activities of piloting and defined questionnaires for students i professor

Project partners from Estonia first tested AudIT and methodology with students.

We are nearing the end...

Assistant Professor, Ph.D. Juraj Petrović, manager of the UniZg project team FER, presented the system for audience response AudiIT on 13th international conference about informational technologies and information society (ITIS) in Terme Šmarješke Spa, Slovenia.

Una Pale, Swiss Federal Institute of Technology Lausanne and Deni Nurkić, Unizg, PMF, Physics Department, held a workshop "How do you start a podcast?" The AudiIT was used during the workshop

ALTII was also presented at the opening of the Center of Excellence Medimurje County in Gymnasium Josip Slavenski in Čakovec. There was a number of very interesting lectures and experiments, and prof. Pale spoke on the topic: "Excellence - what is it?"

Lecture by prof. Palea at the gathering of librarians in Koprivnica - keConnect, he spoke about his vision of the Library in the 21st century.

The lecture was challenging and provocative, as the librarians said. Professor Pale used AudiIT during his lectures

## PREDAVANJE III

### Umjetna inteligencija

[Predrag\\_Pale](#)

Jezik predavanja: hrvatski

Danas dolazi era robota i umjetne inteligencije. Kakve nas tek sad čekaju promjene i kakve su transformacije nužne u knjižničarstvu? Tko je spreman za to? Koja će biti cijena za one koji ne krenu u transformaciju? Tko se usudi odbaciti mnogo dosadašnjeg i zakoračiti u prilično nepoznati svijet, trasirati nove putove na mjestu na kojem je do danas bila knjižnica? Tko je spreman griješiti?
